RECOMMENDATIONS & ACTION ITEMS

1. Celebrate top performers and recognize their achievements

2. Provide additional practice resources for lower-scoring participants

3. Organize peer mentoring sessions between high and low performers

4. Send contest reminders to increase participation rate

5. Set up practice sessions before future contests

6. Track progress over multiple contests for improvement trends

ACTION PLAN & NEXT STEPS

For High Performers (9+ points):

- SANJAY S - Consider advanced problem sets and contest leadership roles
- ASHWANTHIKA GOVINDARAJA - Consider advanced problem sets and contest leadership roles
- MANOJ SHIVPRASAD S - Consider advanced problem sets and contest leadership roles
- M BHUVANESWAR - Consider advanced problem sets and contest leadership roles

For Good Performers (4-8 points):

- S SIVAHARI - Focus on advanced algorithms and time optimization
- SYLESH P - Focus on advanced algorithms and time optimization
- SUNKIREDDY BARATH - Focus on advanced algorithms and time optimization
- V G PRANNAV - Focus on advanced algorithms and time optimization
- NAVDEEP R - Focus on advanced algorithms and time optimization
- HEMHALATHA V R - Focus on advanced algorithms and time optimization
- JAIGANESH S - Focus on advanced algorithms and time optimization
- ROHITH JAGAN - Focus on advanced algorithms and time optimization
- ... and 36 others with similar recommendations

For Non-Participants & Low Performers:

- K MOHIT - Basic problem-solving practice and contest strategy
- ABINAV KISHORE R S - Encourage participation and provide contest information
- AMOGH VIJAY - Encourage participation and provide contest information
- BARKAVI R - Encourage participation and provide contest information
- I ISHANTH LEEMAN - Encourage participation and provide contest information
- K SHASHANTH - Encourage participation and provide contest information
- LOKITH S - Encourage participation and provide contest information
- PRABANJAN M - Encourage participation and provide contest information
